### MATCH

Reminder of events coming up :-

**Singles Matchplay** final will be played this Saturday 8.40am off the 1st tee. Good luck to both Hugh MacMillan and Carlos Solier.

Events looming for September include the **2 Ball Family Day** (Sat 2<sup>nd</sup>) where multiple pair combinations (mother-son, grandfather-granddaughter etc) can register to win the trophy. This event was originally called the **Father Son** day but in this age of inclusiveness it has been broadened to include multiple possibilities. (Note – relationships need to be direct and exclude cousins, nephews etc.) On Sat 9<sup>th</sup> older players get the chance to compete with their age cohort on 50 & Over Day, and on Sunday the Mixed Foursomes first round is played.

Members are also reminded that nominations are also being sought for the **Holden Scramble 234 Ambrose** event on the 24<sup>th</sup> September. Don't miss out on this fun and exciting day and get your team in as soon as possible.

Finally a quick reminder that the **course will be closed on Monday 28<sup>th</sup> to Wednesday 30<sup>th</sup> for greens renovation.**

## Soil

Members,

As most of you would be aware the soil project has been delay at times due to the council.

An update on where we are at with the dirt. Soil is back up and running weather permitting, and will continuing to run at this stage.

The current plan is to:-

Build mounds and top dress the 5th and 14th and create mounds in place of 6th bunker.

Continue works on driving range.

Also we are currently drawing up plans for new 4th and 18th greens, which will be financed by future soil. This will take place overtime, as the right soil becomes available.

Regards
